MEMORANDUM FOR: Members of IOTAC

FROM : Acting Secretary, IOTAC

SUBJECT : Intelligence Support to the International Administrative  
Radio Conference of the ITU, Geneva, August 1959

REFERENCE : Minutes of the 59th meeting of IOTAC held on 2 June 1959

1. The reference, paragraph 2, discussed the status of the final draft of a staff study concerning the Administrative Radio Conference in Geneva. In this paragraph, it was concluded that the papers should be signed by the Chairman of IOTAC and released to the AD/SI.

2. The AD/SI after reviewing the staff study and accompanying correspondence concluded that action could be expedited by going directly to the Assistant Secretary of State for Economic Affairs and supplying him with a summary of the type of service available from the Agency.

support. At the meeting in O/RR, referred to above, it was generally  
agreed that [REDACTED] would expect to deal primarily with the  
Electronics Division of O/SI in matters of support, but if matters  
involving O/SI interests outside the area of responsibility of ED  
came up, he should feel free to seek assistance from the Collection  
Staff.
